Green Belt/Black Belt

Training on Project Management leading to certification through TUV SUD

Training methodology	Duration	
Classroom sessions conducted at Kuala Lumpur	2 full Days, conducted back to back	
The recommended maximum strength per batch is limited to 15. However up to 5 more candidates can be accommodated to avoid creation of an additional batch.		
Online live virtual sessions (webinar)	12 days; 2 hrs per day on weekdays (07:00 - 09:00 hrs IST or 20:30 - 22:30 hrs IST)	
In case the above mentioned timing are not suitable and a special time slot is sought then the minimum participants for the said special batch will be 20		
Access to training videos (E – Learning)	For a period of 6 months	

Value additions: (Not applicable for 'E – Learning only' participants)

1. Access to our WhatsApp group to interact with other participants from the globe.
2. Projects will be provided and the same will be evaluated by experts
3. Coordination for the taking up exam thru TUV SUD will be done
4. 'Access for life' to a large repository of recorded training videos that are continually updated
5. Soft copy of training material will be provided by ExcelR
6. Examination fees as applicable will be chargeable separately
